

These courses will not run properly on mobile devices (iPhones, iPads, tablets, etc.) They are designed to run on laptop or desktop PCs using the Google Chrome browser.

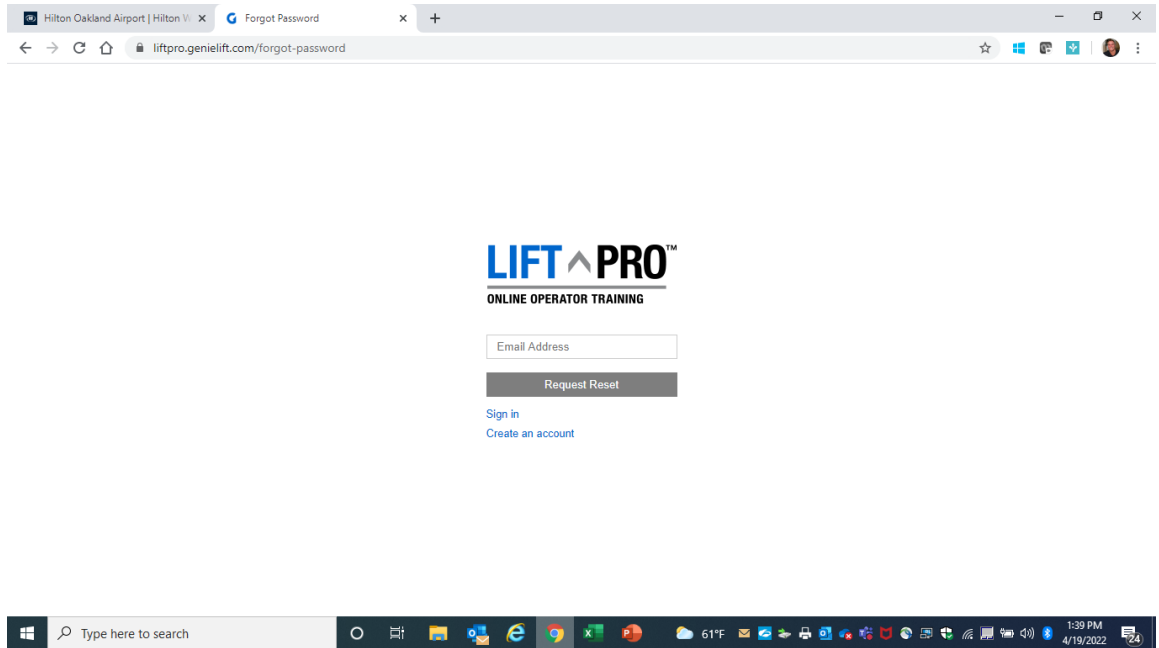

1. Navigate your browser to www.liftpro.genielift.com
2. Click on “Sign In/Create” at the top of the screen.

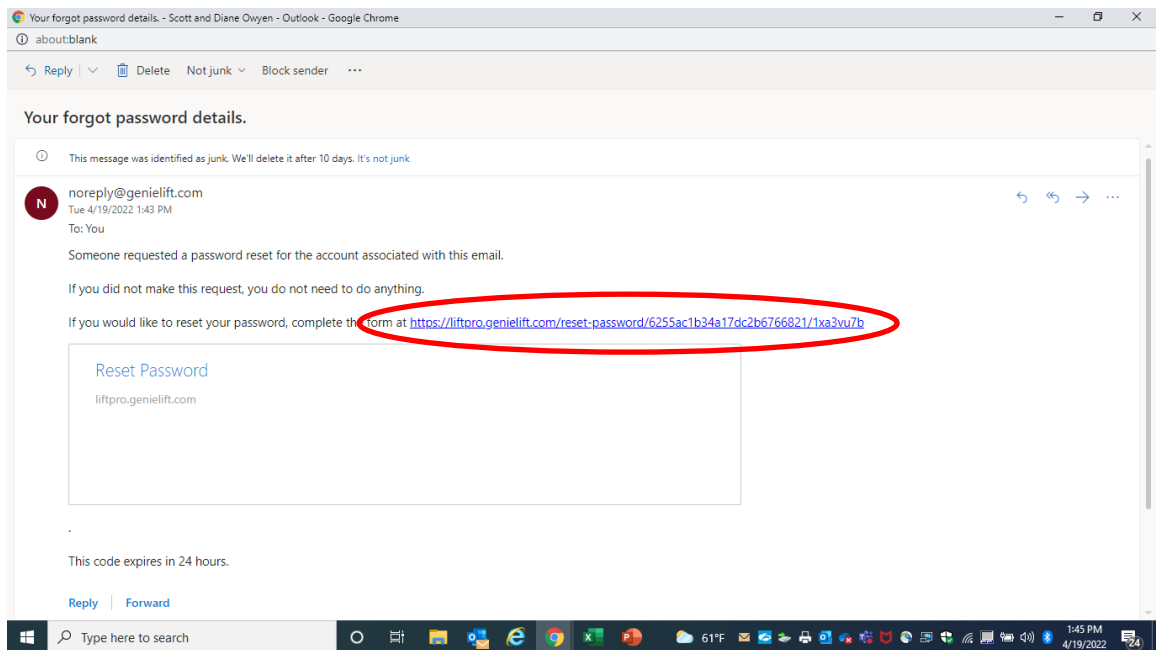

3. If you already have an account, click on “Forgot Your Password?” to create a new password (this is required in order to access the new LMS). If you are registering for the first time, click on “Create an Account”.

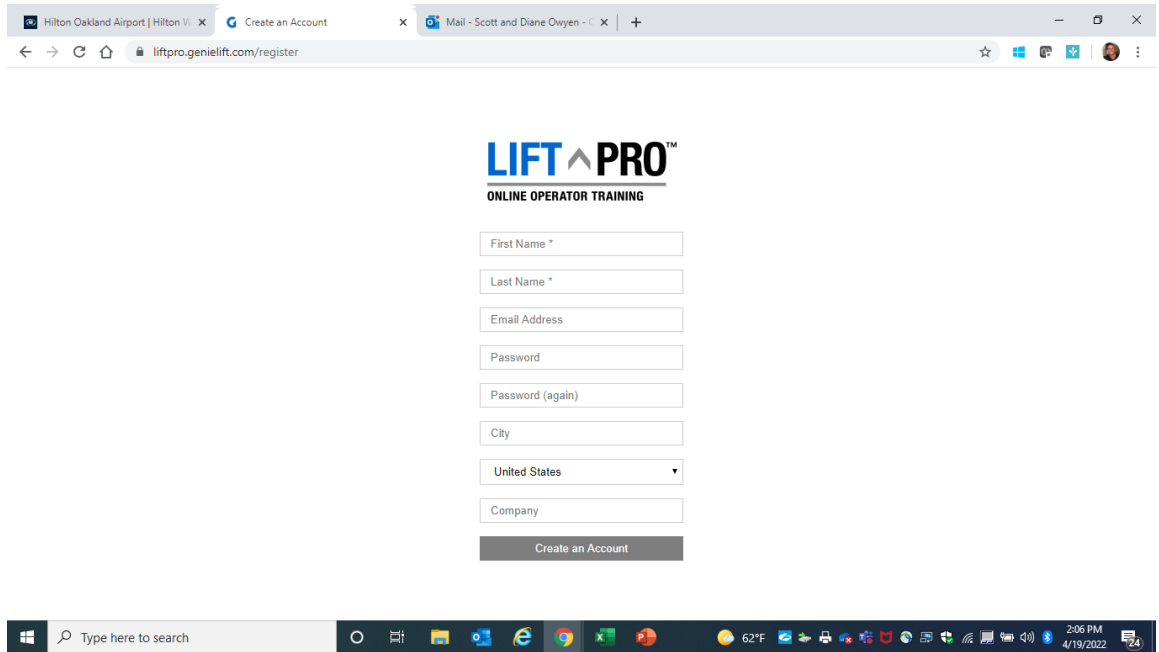

4. If you clicked on “Forgot Your Password?” it will bring you to this screen. Enter your email address and click on “Request Reset”.

5. Open the email and click on the supplied link. This will take you to the screen where you will enter your new password.

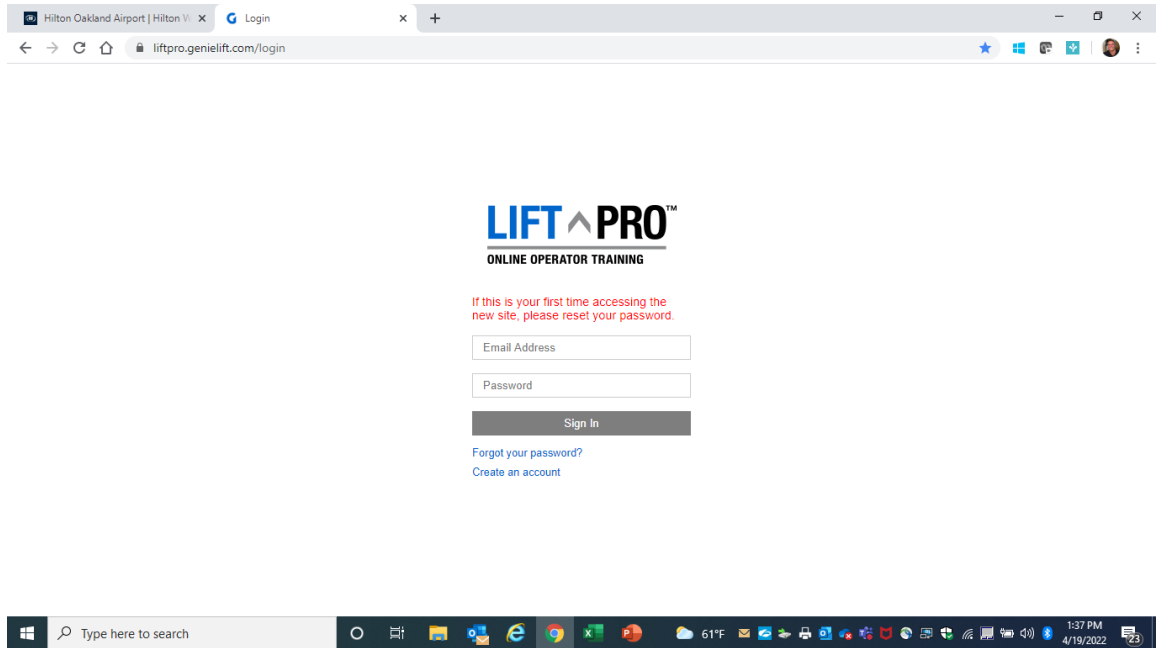

6. If you clicked on “Create an Account” you will be brought to this screen where you will enter the required information.

The screenshot shows a web browser window with the URL liftpro.genielift.com/register. The page features the LIFT PRO logo and the text "ONLINE OPERATOR TRAINING". Below the logo is a registration form with the following fields: First Name *, Last Name *, Email Address, Password, Password (again), City, a dropdown menu for "United States", and a Company field. A "Create an Account" button is located at the bottom of the form. The Windows taskbar at the bottom shows the search bar, task view, and various application icons, with the system tray displaying a temperature of 62°F and the date/time as 2:06 PM on 4/19/2022.

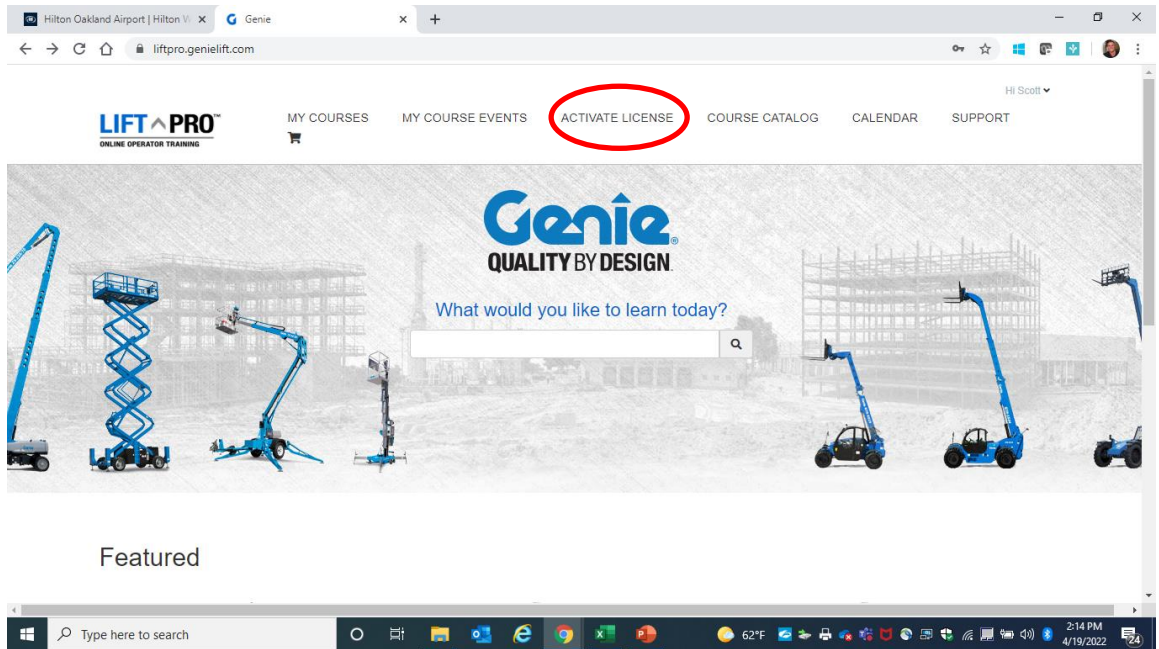

7. You can now log in using your email address and new password.

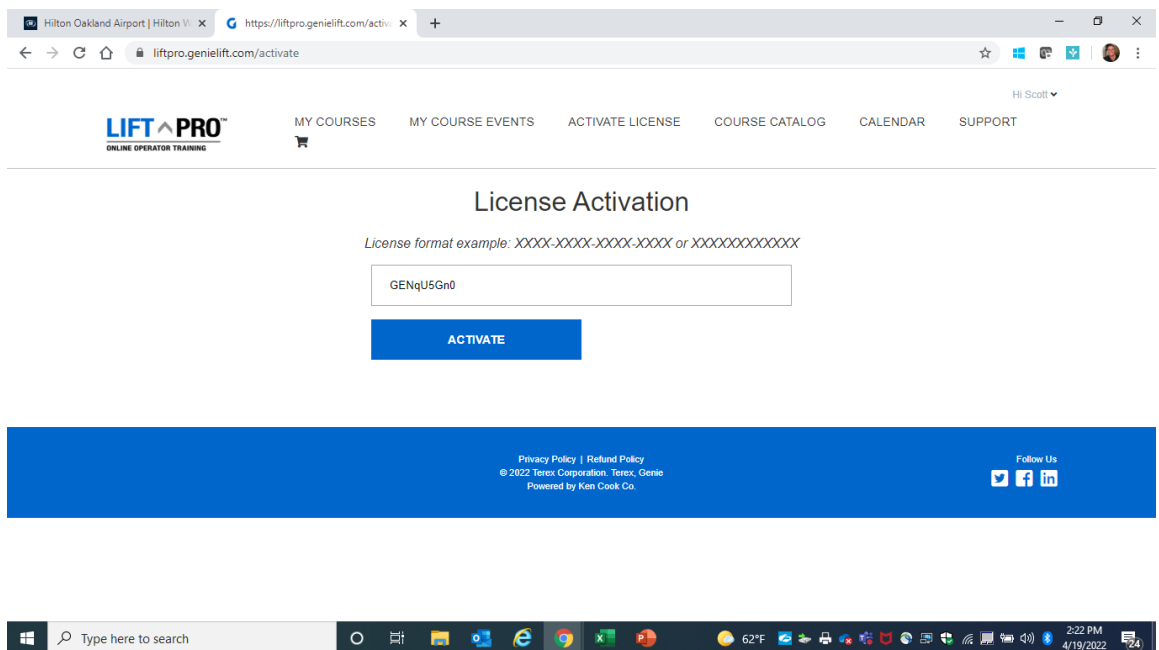

The screenshot shows a web browser window with the URL liftpro.genielift.com/login. The page features the LIFT PRO logo and the text "ONLINE OPERATOR TRAINING". Below the logo is a login form with the following fields: Email Address and Password. A "Sign In" button is located at the bottom of the form. Below the form are two links: "Forgot your password?" and "Create an account". The Windows taskbar at the bottom shows the search bar, task view, and various application icons, with the system tray displaying a temperature of 61°F and the date/time as 1:37 PM on 4/19/2022.

8. You are now at the main screen where you will select and register for courses. The online courses now require a “license”, which is the same thing as a code.

9. To register for an online course, click on “Activate License” at the top of the screen.

10. Enter your code in the License Activation entry box and click “Activate”.

11. A second dialog box will pop up prompting you to select the desired course from the dropdown box.

The screenshot shows a web browser window with the URL <https://liftpro.genielift.com/activate>. The page header includes the LIFT PRO logo and navigation links: MY COURSES, MY COURSE EVENTS, ACTIVATE LICENSE, COURSE CATALOG, CALENDAR, and SUPPORT. The user is logged in as "Hi Scott".
